

Aluminum Drink Rail Adapter

Available in Textured Black (XB), Textured Bronze (YB), Gloss Black (BK), Gloss White (WT) or Textured Grey (TG) as a premium colour.

Note:

- 102" long to allow miter cutting on 8 ft sections
- Individually plastic sleeved
- Includes Tek screws to attach drink rail adapter to top of Vista Railing and fasteners to attach through pre-drilled adapter into your drink rail
- Add your choice of material of a 6" wide drink rail sold by others

- ✔ **Streamline Look and Design**
Creates a flat surface that is ideal of function and /or design appeal. Runs over the post for a clean and continuous appearance.
- ✔ **Ease of Installation**
Connects decking and railing in a clean, contemporary style.
- ✔ **Simple Assembly**
Fasteners included for drink rail.
- ✔ **Multi-System Adapter**
Exclusively used for Vista aluminum picket, Vista aluminum cable, and Vista aluminum framed glass railing systems.
