Aluminum Wind Wall

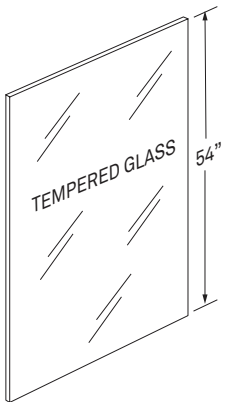

Available in Textured Black (XB), Textured Bronze (YB), Gloss Black (BK) and Gloss White. Texture Grey (TG) is available as a custom order.

- ✔ **Separation**  
Creates distinct spaces between different properties or multiple spots.
- ✔ **Wind Block**  
Minimizes the negative effects of wind which allows for a more inviting space.
- ✔ **Versatility**  
Use with Vista's standard aluminum for a smooth and contemporary transition.
