

Style & Simplicity

Packaging Lead Supervisor

We are looking for energetic, driven individuals to work in a rapidly growing company with great advancement opportunities! Benefits after 6 months for full time positions!

Though experience is an asset, we provide full training on-site!

We are a progressive company that looks to find and develop "A" players from within the company. Career opportunities are available for the right candidate.

Some Job Responsibilities:

- Reports to the Warehouse Operations Manager
- Supervising a team up to 15 on multiple shifts to ensure that products are packaged correctly and efficiently
- Forklift experience as asset
- Understanding of ERP systems, use of scanners
- Maintaining inventory of supplies such as tape, labels, boxes, and other packaging materials
- Inspect Painted materials to ensure that they meet quality standards for use in finished products
- Building and crating of pallets for outbound custom jobs - use of saws and hand tools
- Ensuring that all packaging is done in accordance with brand standards and requirements set by customers
- Developing standard operating procedures for the packaging department to ensure efficient operations
- Coordinating with shipping and receiving staff to ensure that orders are received on time and that items are shipped out accurately
- Coordinating with fellow Supervisors to ensure that orders are on track to ship on time
- Promote Culture through participating in company events, celebrations, and giving praise
- Reward/reprimand where necessary referring back to our core values
- Participate in Company Events
- Hold Morning department huddles, and attend the supervisors daily huddle

Perks working for Vista:

- Monthly BBQ
- Quarterly celebrations
- Company events
- Paid B-Day off
- RRSP contribution program
- Profit sharing
- Afternoon shift and First Aid attendant premiums offered
- Paid training and schooling, for those that qualify
- Monday – Friday work 8.5 hr, work 6 hrs Friday

Vista Railings Inc. is one of the world's leading manufacturers and distributors of best-in-class railing systems and components. Since 1974, we have been passionately designing, engineering, testing, and manufacturing high quality railings for both single family and multifamily/commercial markets in aluminum, glass, mixed materials, and wood.

Our Vision and Culture:

To become the most **TRUSTED** railing provider (company) in North America.

We live everyday through our core values of **fairness, integrity, respect, safety, trust** and we are driven by our **can-do attitude**. (F.I.R.S.T. Can do), we are a winning team; we are customer focused, dedicated to continuous improvement; we have a sense of urgency; we are professional; we embrace change and maintain a sense of fun; we are a community.
