About Us

Our Purpose & Core Values

At VISTA, we are all aligned around a common purpose that helps foster our strong company culture. Our purpose is simple yet powerful...to make a positive impact that matters.

Along with our purpose, our core values form our fundamental beliefs, our guiding principles, and our priorities that shape our culture and our decision making. We live every day through our core values of Fairness, Integrity, Respect, Safety, Trust, and Can-Do attitude.

Our Legacy

Built on a legacy of over 50 years, VISTA has helped shape the railing industry. Our customers depend upon us for their business, and we take that responsibility to heart. Our customers consistently tell us we are the #1 choice for premium aluminum, glass, cable railing, and more — a recognition we're proud of and continually strive to uphold.

Our Commitment

We design, engineer, test, and manufacture with precision and care. We are committed to quality, consistency, style-driven simplicity, and impactful innovation that our customers rely on.

Today, we continue to set the standard. We listen, we respond, we educate, we lead — always committed to continuous improvement and meaningful innovation.

PICKET RAILING

ORDERING & MEASUREMENT GUIDE

1. **Install the posts first.** Order glass panels only after post installation.
2. Set all posts in place, ensuring each post is plumb and level. Maintain a maximum spacing of 4 ft (from center to center of posts).

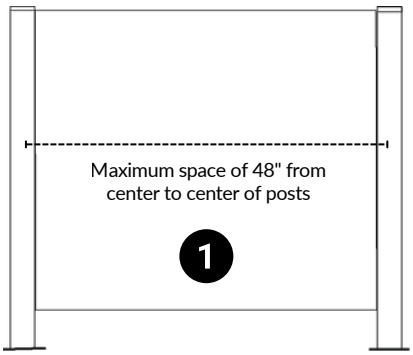

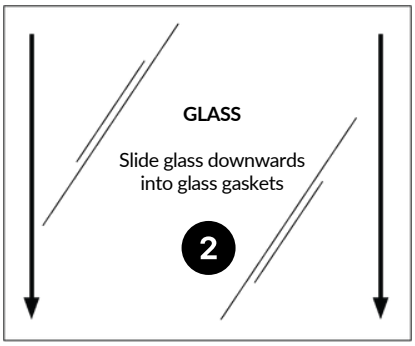

3. Measure the distance between the inside edges of the posts, then add **1 ¼"** to determine the correct glass panel size.

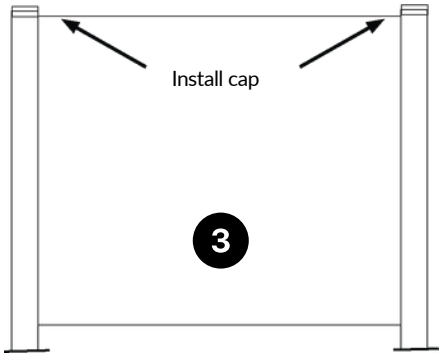

Example:
45" inside post-to-post + 1 ¼" = ***46 ¼" glass panel***

Vista Keynotes:

- All posts include fasteners and shims.
- Fascia mount brackets are available as an option – see accessories page for details.

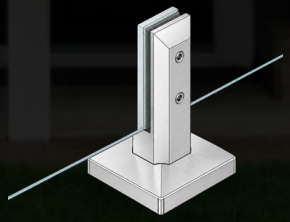

LED SPIGOT RAILING

Keep the view open all day.
Light up your outdoor space!

STAIR RAILING

Clean connection.
No bulky brackets needed for your stairs.

GRASPABLE BY DESIGN

A continuous rail along the stairs. The mid stair post allows you to create sections longer than 8'

NO SECONDARY HANDRAIL

Create a better looking project because Vista stair railings meet the graspable and continuous requirement

SIMPLE INSTALL

Simply slide the top and bottom rails into the pre-manufactured slots.
No pre-drilled or swivel brackets needed

FLEXIBLE STAIR ANGLES

Pre-sloped stair design provides a wide range of stair angles

PIPE HANDRAIL

A clean finish for stairs and walkways.
The perfect solution for accessible spaces.

EASY TO INSTALL
Includes everything you need — pipes, brackets, returns, and extensions

LOW MAINTENANCE
Powder-coated aluminum means no rust, no painting

VERSATILE APPLICATIONS
Ideal for stairs, ramps, decks, and walkways

CODE COMPLIANT
Fully engineered and tested to meet building codes
